

Pattern #115 - Star Dance Quilt

To quilters using this pattern: there is a typo on page 12, in the cutting size for the Lap quilts Fabric #1 large square which is cut into quarters diagonally. It has been fixed (indicated in Blue) in all new printings of this pattern, but if you have an older version of this pattern this is what you need to know:

I'm sorry for any inconvenience.

The stars in this block are not pieced as individual blocks, because the blocks overlap. Instead, they are made from pairs of Star Points, and are pieced as the quilt top is pieced.
