

The diagram of the square shows finished sizes - the seam allowance has not been added. A 2 ½" square turned on point is 3 ½" wide.

- 1** (16) 2 ⅝" squares, cut in half diagonally
- 3** (16) 2" x 7 ½"
- 4** (16) 7 ½" squares  
(4) 3" squares
- 6** (16) 2 ¼" squares  
(32) 1 ½" x 7 ½"
- 7** (4) 4 ¾" squares, cut into quarters diagonally  
(32) 2 ¼" x 7 ½"  
(8) 2 ⅝" squares, cut in half diagonally

Thank you for finding the error. I've sold hundreds of this pattern, and it was checked, re-checked, and re-checked again, and no one (including me) found the error! I've made the correction in red.
