

# Pattern #135 - Surrey Hills

To quilters using this pattern: There are a couple of typos on page 14 in the original pattern, and a few errors in the directions for the Wall Hanging Side B. All of the errors have been fixed in all new printings of this pattern. But if you have the older version of this pattern, this is what you need to know.

I'm sorry for any inconvenience.

Fabric #5 is not used in the Runner. Step #6 has been corrected below.

5. Sew the pieces made in **Steps #1 - #4** together to match the above diagram.

6. Sew five **Fabric #3** half square triangles, and six **Fabric #4** half square triangles together. Then, sew a **Fabric #3** quarter square triangle to either end. The finished piece should match the diagram.

7. Sew a piece made in **Step #6** to the bottom of a piece made in **Step #5** to match the diagram on the left. This completes the body of the runner.
