

Reversible Napkins

Finished size: 17 ½"

The cutting directions are for
4 napkins.

You will need to cut:

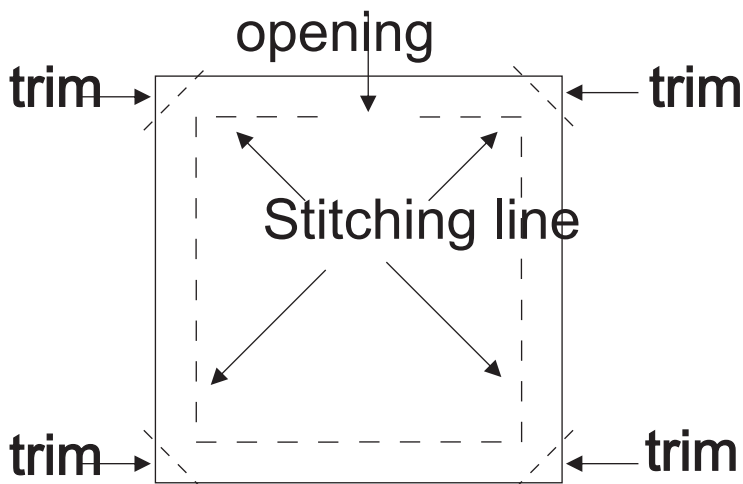

(4) - 18"
squares

(4) - 18"
squares

1. Place a **Fabric #1** square on top of a **Fabric #2** square, right sides together.

2. Using a ¼" seam allowance, sew around the edge of the two squares, leaving a 3" opening in the center of the top edge.

3. Trim the corners as indicated on the diagram at left.

4. Turn the napkin right side out and press. Hand stitch to close the opening. Machine stitch ½" from the edge, all around the napkin.

Enjoy your Napkins!
